## *Homecoming '77 Spotlighted Queen Jennifer*

Homecoming festivities started with the dance at the Holiday Inn--Celebrity Ball providing the music Friday night. Martha Campbell became 2nd runner-up, Cindy Gates was elected 1st runner-up; as a hush fell over the crowd, Jennifer Stone began her reign as 1977 Homecoming Queen.

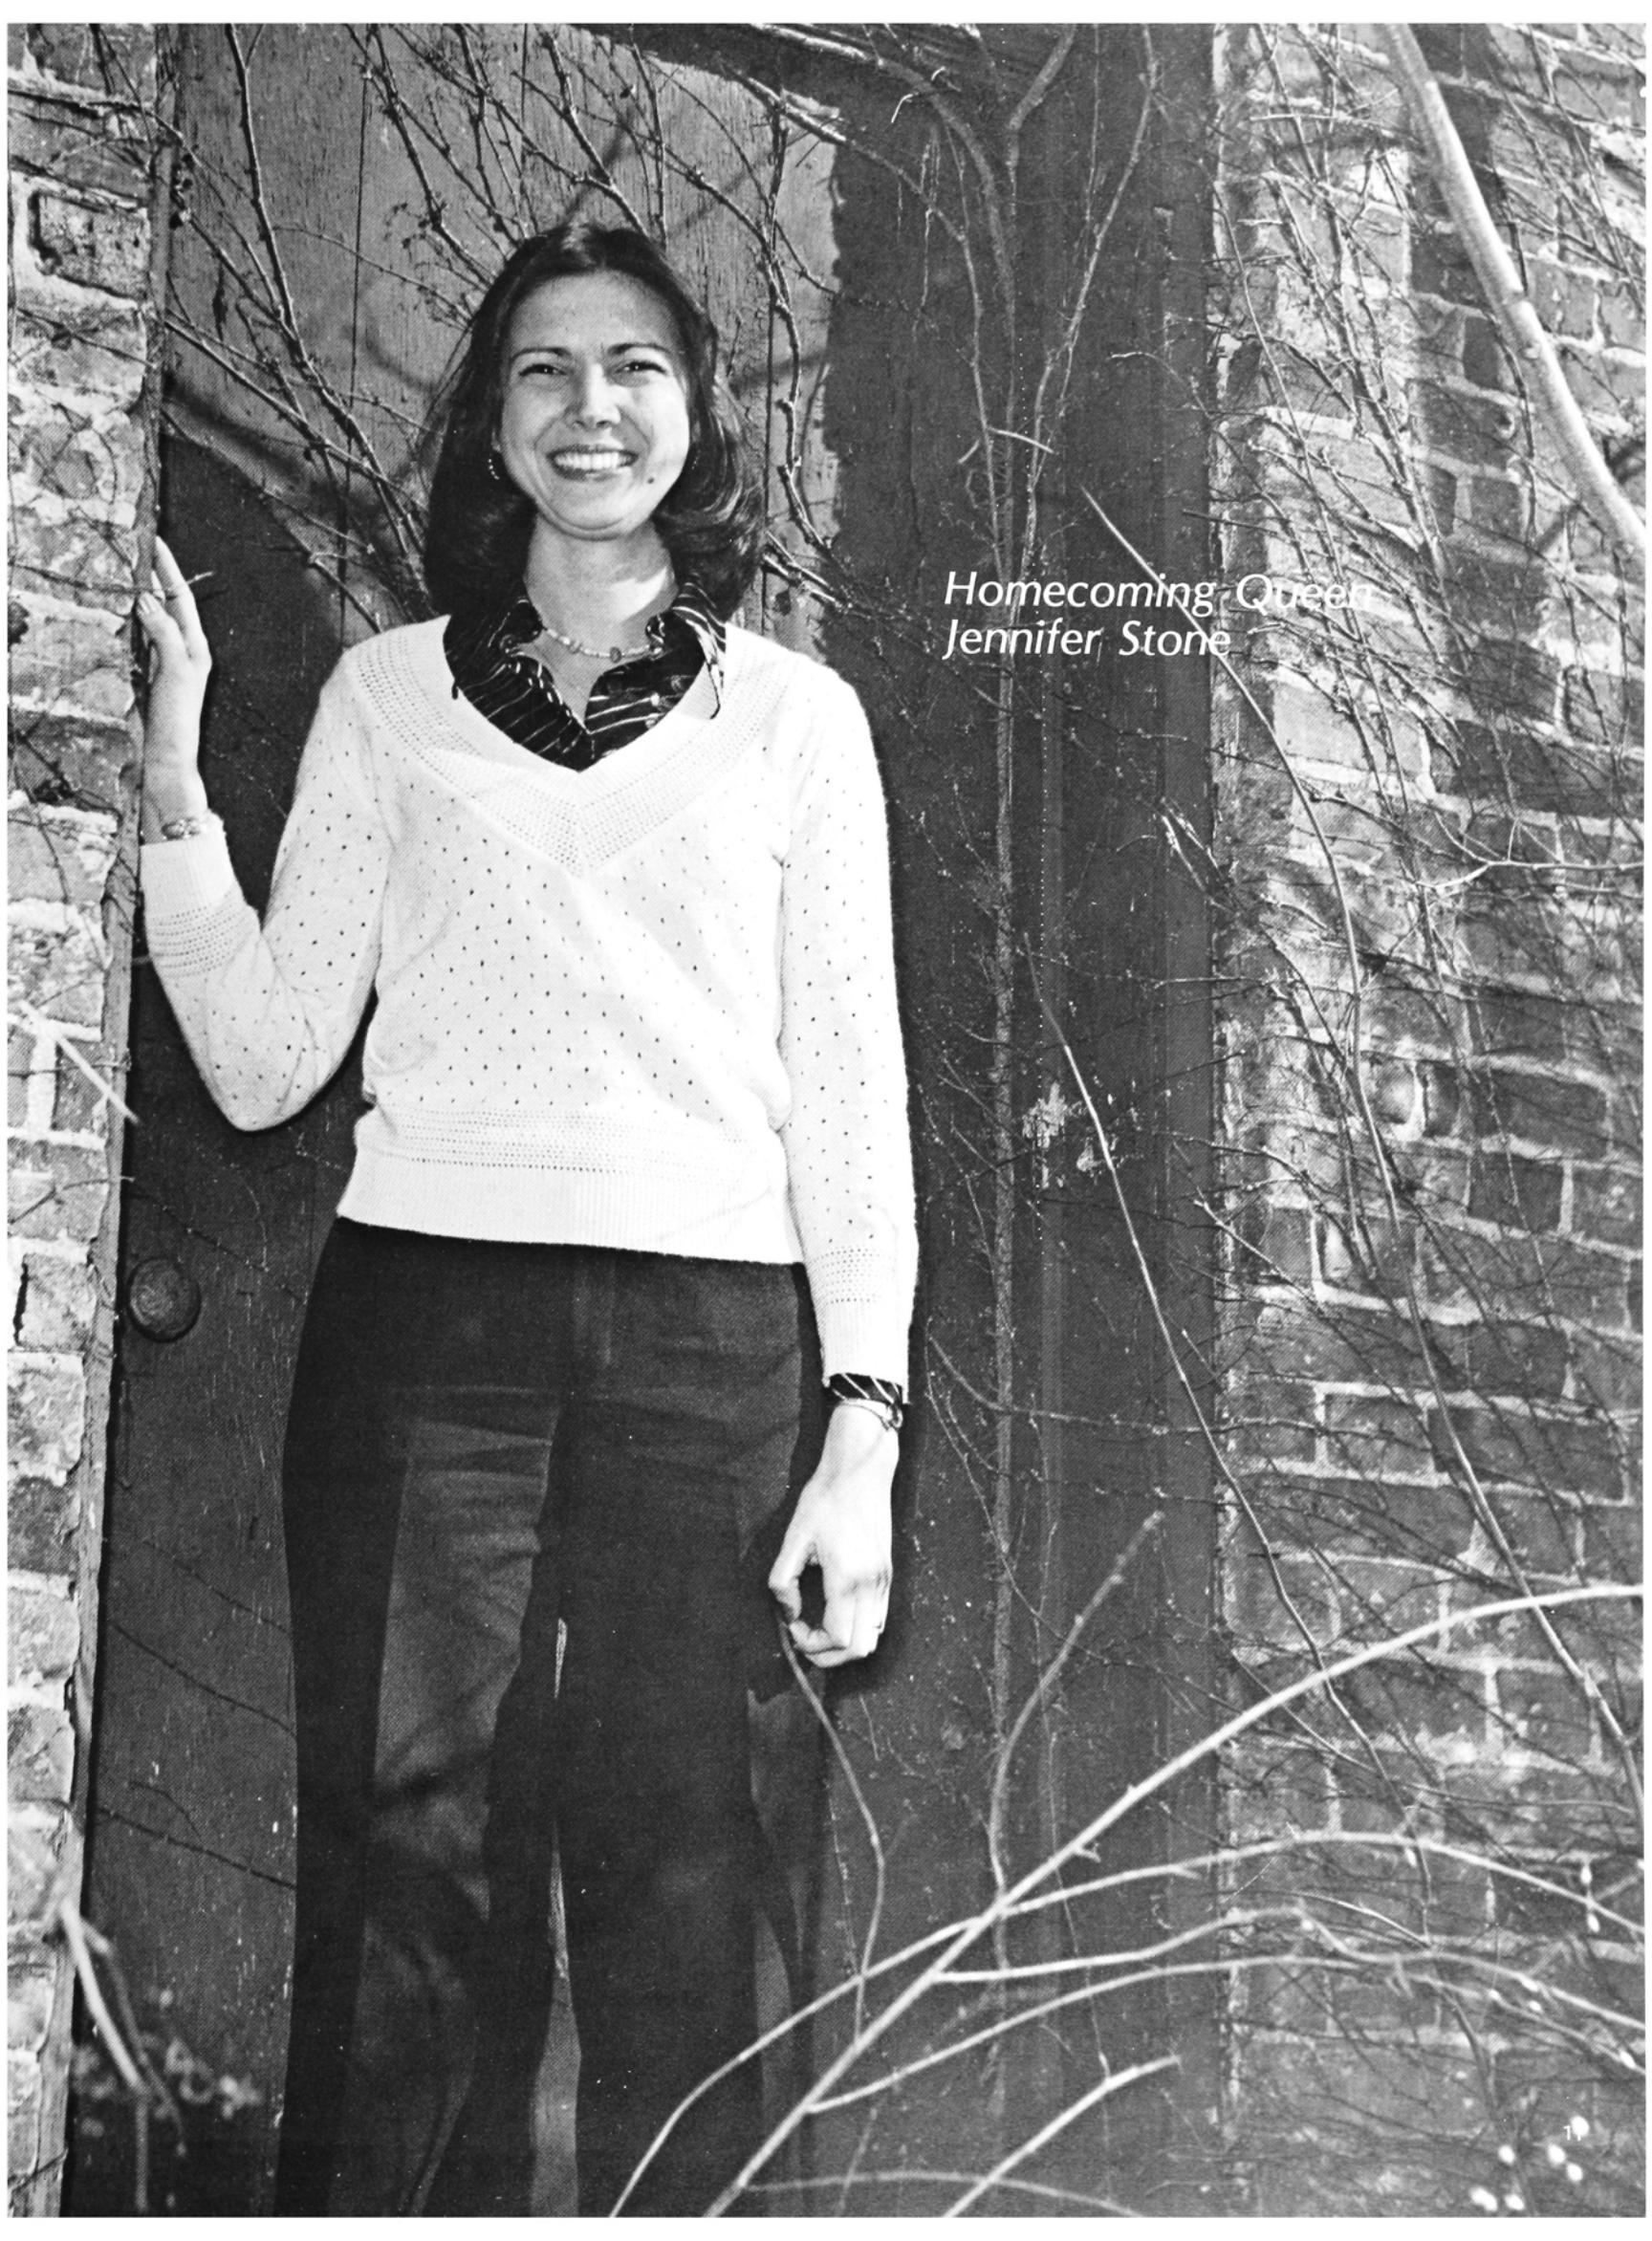

Right: Jennifer is crowned at that magical moment by last year's first runner-up, Cynthia Nulsen.

The Delta Sigs sailed through another rush and pledged the best rushees around. We all feel the 1976 rush was one of the most successful we've had.

To start the year we had a long month of birthdays and many a good brother hit the shower. Our next-door neighbor didn't appreciate it though. Denny finally took the plunge and put it around Val's neck, congrats. Doug, our fearless leader took the Evelyn Wood 3-day speech class in time for Stags, T-bone, went deer hunting over thanksgiving and got himself a buck but use a gun next time, OK Ter. Who is Eith? Tom. Let's pick a Bone, Chick. Stan invested in a piglet farm and is forever calling "Suwee". Cheese, hoards up the Doritos. Bill is pink in Risk. Are you a turtle? Wayne. Ish, we'll miss your voice waking us up at 4:00 a.m. Les and Ron open Party Central, while Ron invests in Bell Tel. Burly still wears Kelly green. Buzzy stunned our opposition with his aerial bombardments. Steve caught that rare sleeping sickness. Drew does homework that begins with "Dear Tammy" and then disappears for hours. Wallie is our house rock star. Mark is constantly increasing the National debt. Ken, where are you? Curt, weren't you ever taught to walk on your feet not hands. Studzak attempts to be the Xavier Hollander of the Male species. And after another full year of fun and friendship the Delta Sigs can look forward to ending it at Myrtle Beach, with Sailor's Ball '77.

Jim with all his B.S., Averett who couldn't relate, the unknown bed of the Italian Stallion, the perils of Honh's car, and our own police officer, Bruce? Then Schrim masqueraded as "Rodan", and Jocko as "Nahmu", and Jeff as Bruce Lee when he kicked in door 218. We were lucky to have Horney as our High Jock, and Norris as our resident ski patrol. Gusto, Brian, and Gary our Midnight Choppers--Raps! And Milt who gave Jenny more than 20 days. It was nice to get Coop back from his flings so he could run the meetings right. Skip and his female decisions. Carry trying to educate us. Squirt and his unpredictable trips to Fla. Baby Face, our own Neil Armstrong. Thanks Slater for the parties! And our own Arthur Tawzerlli. Thanks for posters Stan. Our two B.D.'s Buker and Kermal. Lawrence still hasn't come down to earth which should not be confused with Space Landingham. And Hal as the Bear. Meanwhile, the Three Stooges--Sawyer, Spock, and Ace kept Lindsey Street's image alive, while Dave O. spent mucho time at UNC-G. Van kept us in line (sometimes) and Hearn would read newspapers at the library at 11:00 P.M. Hey Greek, what do you do to that private room on weekends? Dave P. finally replaced T. Bear as the resident alcoholic and Ned returned to the fold. And that's the way it was--1976. This historic year was brought to you by the Pi Kappa Alpha Fraternity.

## *Theta Chi's . . . Rush A Success!!*

First Row, L to R - Trent Lutz, Jim Sims, Greg Jones; secretary, Todd Miller, Doug Witcher; president, Paul Minge, Marty Amis, vice-president, Steve Stoltz, Jose Oller, Chip Wilson, Jim Kelly, Darryl Schooch. Second Row- Jeff Brown, Malt Hanna, Bob Alkens, Hal Sutton, Jeff Smith, Mike Taylor, Randy Bledsoe, Scott Daeschner; treasurer. Third row- Keith Harden, Bob O'Brian. Not pictured: Ray Hall, Stan Cairns, Brock Potter.

1976-77 was a good year for Epsilon Alpha Chapter of Theta Chi. Rush went well with the expert planning of Bob O'Brian to credit. Although Daga had his B.Y.O.B. stolen at Drags the event was a complete success. Thanks to Dallas, P.M. had a ball!! After the smoke settled (literally) we found we needed a new kitchen area, RANDY! And speaking about fire how was UNC-G kelli? Doug's was put out by a bucket of water over the head even before he got started. Trent & Jim with their never ending Soap opera. After a nice Christmas dinner all had a good time at the annual Christmas party, right Pledges?

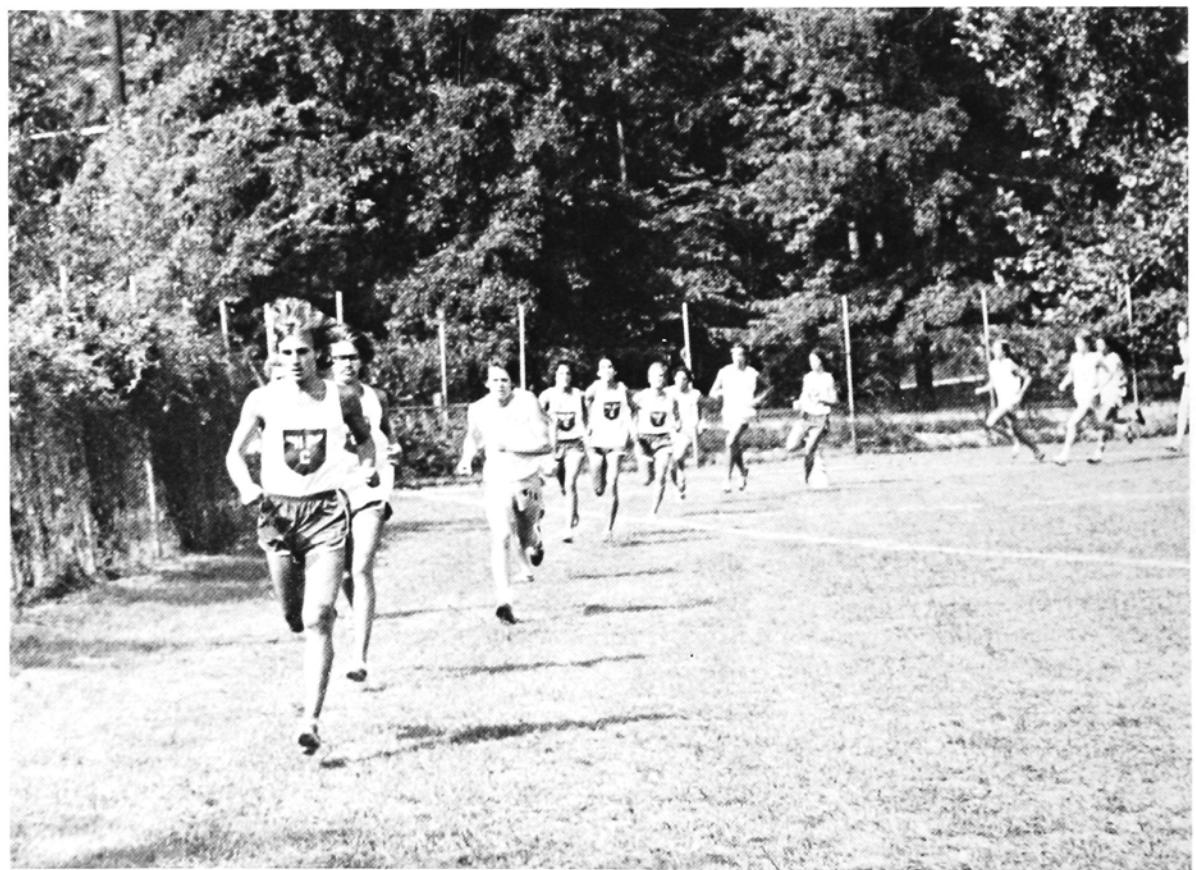

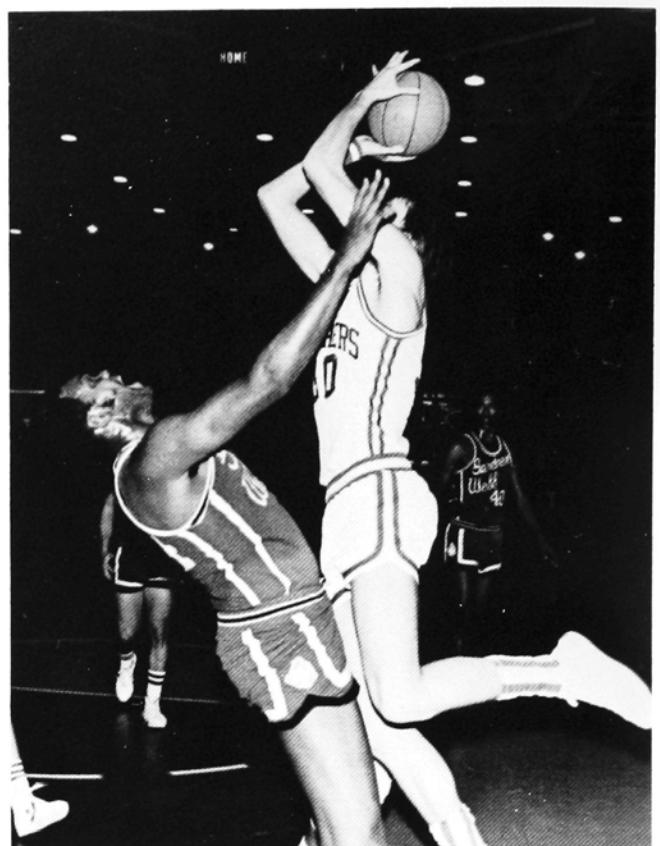

It's close for cheek of the year- but I think Big "D" will win in the END. The guy you could never hear at the Soccer and B-games and who forgot the bats after practice-yep you guessed it, the "Dobson Kid." Hooter learned how to play backgammon, J.B. is still clearing off the snow, Joser Oller and Caiiiirns are still listening to Brock's Africa stories, Marty switched to 'Bud', Mikee lost Valentino again, Matt's in love with Charlie's Angels, turn on the tape recorder Scott is walking and talking in his sleep again, Mudd Turtle made some good plays this year, Keith is paid up, Big Bob is up in the game room, J. Hal is drying off, and Ray is back. Other than that it has been a pretty quiet year, except for Vet's trumpet, Paul's stereo, Randy's singing, people returning from the OAK, darts, etc . . . All the Theta Chi's would like to thank Patricia, Barb, Marilynn, Mr. Holt and the administration for lending a helping hand this past year. Now that exams and Dream Girl are over . . . good-bye Melvin wherever you are.

## Zeta is FOREVER!

1st Row (L to R) Jenny Bull, Mary Ann McNamara--treas., Patty Libby, Susie Wertheimer, Allison Veach, 2nd Row: Pam Skelly, Dawn Harrington, Kathy Garner, Nancy Green, Missy Ward, Marcie Randall, 3rd Row: Georgina Anderson, Jane Seltzer, Susan McKnight, Sharon Stanback, Mary Wyatt--sec., Karen Monroe, 4th Row: Kathy Dixon, Ginger Brown, Cathy Borstell, Nan Thorne, Linda Marvel--1st VP, Kim Cox, Lynn McCulloch, 5th Row: Carolyn Burrows--2nd VP, Carey Marr, Myra Faulkenberry, 6th Row; Julie Giddens, Carolyn Dixon, Wendy Dunham, Jackie Swing, Pam Blanz, Martha Campbell, 7th Row: Denise Wilson, Sandy Bowman, Cindy Locke, Kendelle Bzdek, Beverly DeGrotte, Susan Whetstone, Jenny Tucker, Elizabeth Boone, 8th Row: Pam Swan, Lee Jackson--Pres., Chris Kozinski, Karen Koelsch, Terry Gardella

1976-1977 was another year filled with the attributes that Zeta strives for--friendship, individuality, and a certain degree of insanity. President Lee Jackson managed somehow to see to it that we all weren't locked up; but more importantly, she saw to it that Zeta Love would not become a thing of the past. In between classes and meetings, Lee would come back to her room and find out that Jim had re-arranged the furniture the way HE liked it. Marv--we're being as quiet as we possibly can be! Chris, are you still discovering the "aesthetic" pleasures of jello?" Understudy for the High Point police, Swanner is always 5 minutes late for a bank robbery. Suju, how much was your nose Karen, had much male lately? Martha, we've known all along how innocent you are. Nan is still running her mouth so much that nobody can get a work in edgewise. Parise, want a job at K-Mart Kendalle, how come you took no pictures of the pledge dance? Stanback, do yo hair be kinky? Mary Ann, do you know what your room number is? Muffin is still taking lessons from Charo, and Borstell is still collecting flip tops from beer cans. Carolyn B. has become a mother--about 25 times over. How are our pledges? When Beverly DeGrotte speaks, people listen. Mary Wyatt keeps eating alot of stewed tomatoes, and Pattie B. eats in spurts, for some unknown reason. Myra was from Virginia and has big tennis shoes. Ginger and Denise are finally sisters--have you finished making payments on your pins yet? Carolyn Dixon, in addition to misplacing her mind, has a new hobby--losing her keys, or Billy's. Jane, alias Moguls, how's your mom? Nancy is a career woman now and loves the hell out of it. After 3 semesters, Cindy has finally come back to earth. Suzette now has a new pastime--taking people to OB-GYN clinics and embarrassing them to pieces. And finally, Charlotte, when are you going to play those 36 holes? It's been a good year a different one, a trying one. But in the true meaning of Zeta, we have lived and loved and enjoyed every day of it.

This year the Panther Soccer team set out to improve an 8-4-1 record that saw them lose to Pfeiffer in the first round of the district playoffs. This year's team had a tough schedule and did rather well. The Panthers opened up the year hosting the First Annual High Point Soccer Classic. The team lost to a good U.N.C.-Chapel Hill club but came back strong to win the consolation finals over Davidson. During the year the Panthers also beat N.C.A.A. schools, U.N.C. Charlotte and N.C. State by the scores of 2-0 and 1-0 respectively. Second year coach Ken Chartier had a good recruiting year. Some of the top recruits were Ronnie Clendinin from Greensboro and Walter Rowe from Maryland, who both earned starting roles as freshmen. Also counted on were transfer Paul Goehle from Smithtown, N.Y. along with the consistent play of returning starters Jeff Potter, Doug Challenger, Greg Goehle and goal-keeper Joe Ramsbotham. Captain Gary Downing, out with a foot injury at the beginning of the season, came on strong in the last half of the season to play well at the fullback position.

## Run . . . Run . . . Run . . .

The 1976 season was a very good one for the HPC cross-country team. The team this year participated in a number of invitational meets such as the West Georgia Invitational, the Pembroke Invitational, and the Wake Forest Invitational. The team was led this year by juniors, Mark Hamlett and Perry Macheras, along with support from Chip Wilson, a senior, and Randy Lazelere, a sophomore. During the regular season, the Panthers compiled an impressive record with wins over such schools as Wake Forest, Georgia State, Davidson, and Barry College. This year, as usual, Coach Bob Davidson has molded HPC cross-country into a team that is recognized as one of the very top teams in this area.

## *Stifles Opponents*

The Field Hockey Team experienced a very fine year under first year head coach Kitty Steele. This year the Panther Hockey Team gained more depth than last year with the addition of some good freshmen and transfers. Sandy Stusnick, a transfer from New Jersey, was an outstanding newcomer as was Alyson Wilk, a freshman from East Long Meadow, Mass., who was also the leading scorer. Also helping the team this year, as in previous years, was the excellent play of goal-keeper Sharon Glover. In the first nine games, she had only nine goals scored against her, along with three shutout games and a countless number of saves. This year also brought on a move to another division of play. The Panthers competed in the AIAW division instead of Deep South. The caliber of play in this division was stronger than that of Deep South and the team gained more experience against top quality teams. High Point was the only team in North Carolina to compete in AIAW.

## Volleyballers — Serve It, Set It, Spike It . . .

The High Point College Volleyball Team dominated the Carolina's Conference this year just as they did last year. Coach Jennifer Alley did some fine recruiting and made this year's team more powerful in all positions. In the Carolina's Conference tournament held here at HPC, the mighty Panthers ran into little difficulty in repeating as conference champions. In their first match of the tournament, the girls breezed by Catawba yielding only seven points. They then topped Elon and won the championship by beating Guilford 15-5, 15-6. Marie Riley, a freshman from New York, was voted the most valuable player in the tournament. Joining her on the All-Tournament team from HPC were Wanda Wilson, Wanda Walton, and Karen Christofferson. Congratulations girls on a very outstanding season!!!!

## Panther Basketball-- "A Whole New Team"

The men's basketball team experienced an up and down season as they finished with an overall record of 12-14.

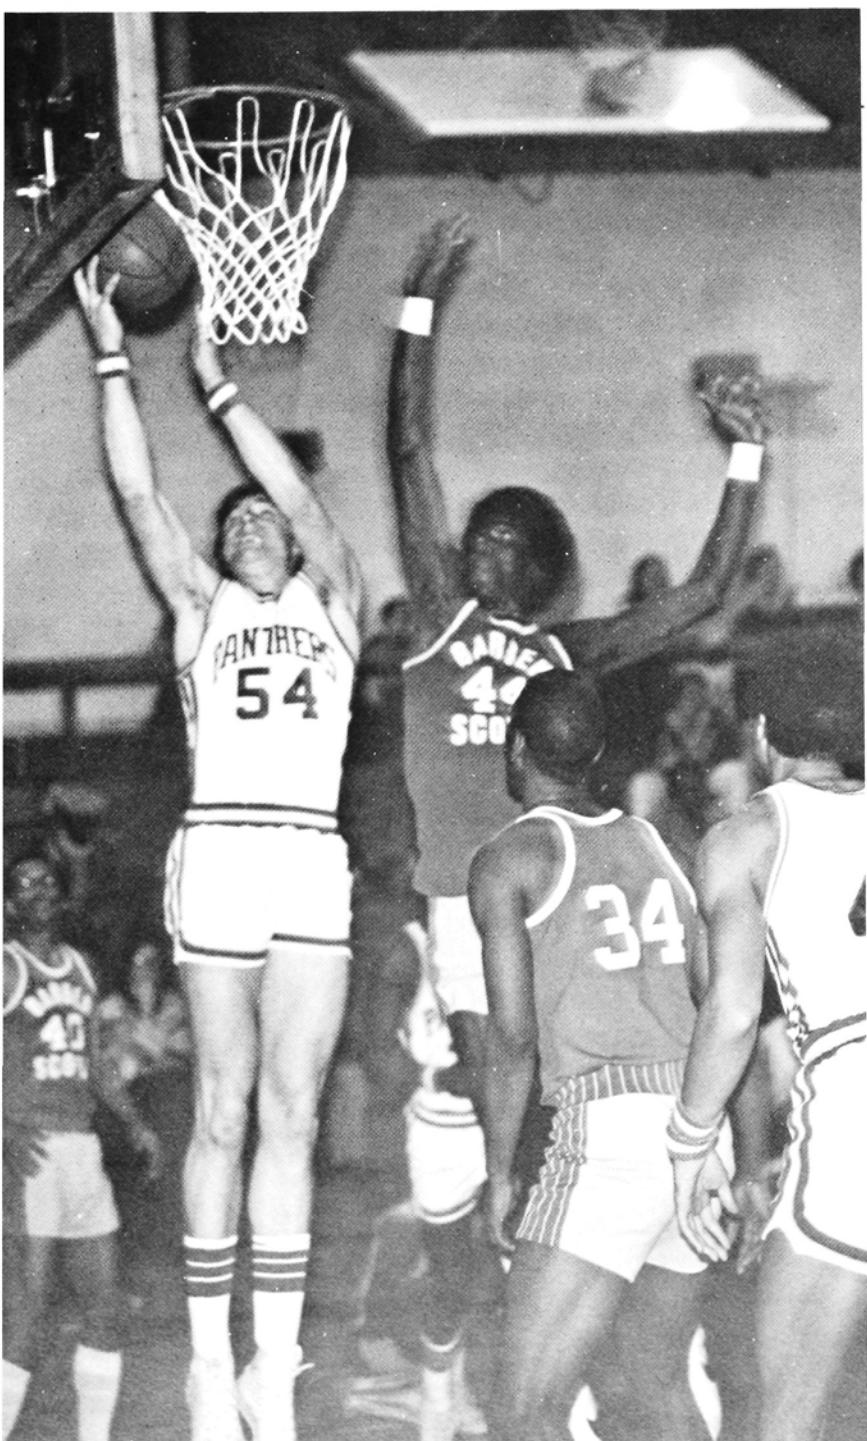

With seven players of the twelve-man squad being freshmen, the Panthers had to rely on the leadership of graduating seniors Pearlee Shaw and Ray Coble. Pearlee Shaw capped his last season with a sensational performance of 29 points and 9 rebounds against Catawba in the semi-finals of the Carolinas Conference Tournament. His play earned him a birth on the all tournament team. Ray Coble also earned honors with his consistent performances throughout the season as he was named to the all conference squad.

French Bolen	Freshman

The HPC golf team had a good season finishing the '76 season with a 16-2 record and second place in the conference tournament. Jim Ivey received the MVP award in the tournament. The golf roster shows seven returners with three newcomers. These are French Bolen, Bill Wall, and Perry Skeen. The HPC golfers should have a good year entering the conference and district tournaments.

## Baseball Team Tough In The Carolina's Conference . . .

The H.P. Panthers are an inexperienced team this year due to only 2 returning starters, Jim Mugele (shortstop) and Dan Wilber (catcher). Despite this fact, there should be enough talent for the Panthers to be competitive in their conference. Returning to the pitching staff are Billy Sorrell (11-3) and Durk Gurley (7-3). Along with these performers, many incoming pitchers will add depth to the pitching staff.

## *"Within My Power" Sparks American Humanics*

The American Humanics Student Association at High Point is made up of all students in the Human Relations/Youth Agency Leadership program. Through its elected officers and various committees it becomes a working laboratory experience in the methods used most commonly to administer the nation's great volunteer youth agencies.

To offer college level preparation for students interested in careers with America's youth serving agencies is the purpose of the American Humanics Youth Agency Leadership Program. Some of the agencies offering professional careers in this field are the Boy Scouts, Girl Scouts, YMCA, YWCA, Campfire, Boys' Club and Girls' Club. This year's theme was presented at the Fall Retreat held at Roaring Gap. The theme, "Within My Power" served well throughout the school year. Other activities for the year included a series of workshops and career seminars, social events and field trips to youth agencies.

This year brought us our new Resident Administrator, Mr. Terry Dunn, for American Humanics. It also will unfortunately be Dr. Fuller's last as head of the department. We hate to see him go for he has been a very special person to us all. We thank him for all he has done.

## HPC Choir

The High Point College Choir and Ensemble are having a very good year. We were happy to meet and get to know our new director, Dr. James Elson. We feel that he is doing a fine job with both groups. Our accompanist on piano, Janet Hinkle, and our guitar accompanist, Eddie Hood, work well with the groups. The choir have sung at two Christmas concerts on campus. The Ensemble participated in these, plus a small concert during the American Humanics Weekend. Plans included for the second semester were a spring concert and a concert during the High Point Theatre Arts Festival.

## Fellowship Teams

Fellowship Teams is an organization that seeks to minister the spiritual needs of church youth groups. More than this, Fellowship Teams means what the name implies. It is a fellowship of fellow strugglers and seekers who join together to discover new meaning for their lives in a community of faith. Teams meet on Thursday nights in each semester and plan workshops which will be helpful to all involved. Then each fellowship team member is prepared to go on a retreat or weekend visit and share these ideas with others.

Day Students have organized themselves to work out problems which are specific to them alone, such as the parking problem. Also, the organization has developed plans for making all day students more aware of campus activities and for urging them to participate in these events. It provides better representation in the best interest of an often unheard group of students.

## Spanish Club Makes Its Debut

All students who study Spanish at HPC, regardless of level and personal accomplishment, are eligible to become members of the Spanish Club. The group meets regularly to provide a time during which conversational Spanish may be developed. Members of the club experiment with the cooking and tasting of foods of the Spanish-speaking countries. The cultures of the Hispanic peoples are discussed. In addition to these intra-club activities, the Spanish Club participates in the Humanities Week programs and in the Foreign Language Festival. Membership in the Spanish Club changes the study of foreign language in the classroom into a pleasantly integrated learning experience.

## S.A.M.

The Society for the Advancement of Management, better known as SAM, is a campus club designed to help students gain insight to the practical world of day to day business activities.

The HPC chapter of SAM is one of 200 such clubs chartered in leading colleges and universities in the United States, Canada, Puerto Rico, and other countries. Membership to the HPC chapter is open to all students regardless of their major. Being a member of SAM means involvement in such activities as tours, speakers, fund raising events, and socials.

During the year SAM members toured the Schlitz Brewing Plant in Winston-Salem, Greensboro Regional Airport Control Tower in Greensboro, Wachovia Band and Trust in High Point, and the Federal Reserve Bank in Charlotte. Numerous parties as well as fund raising events were also held.

## Hi-Po

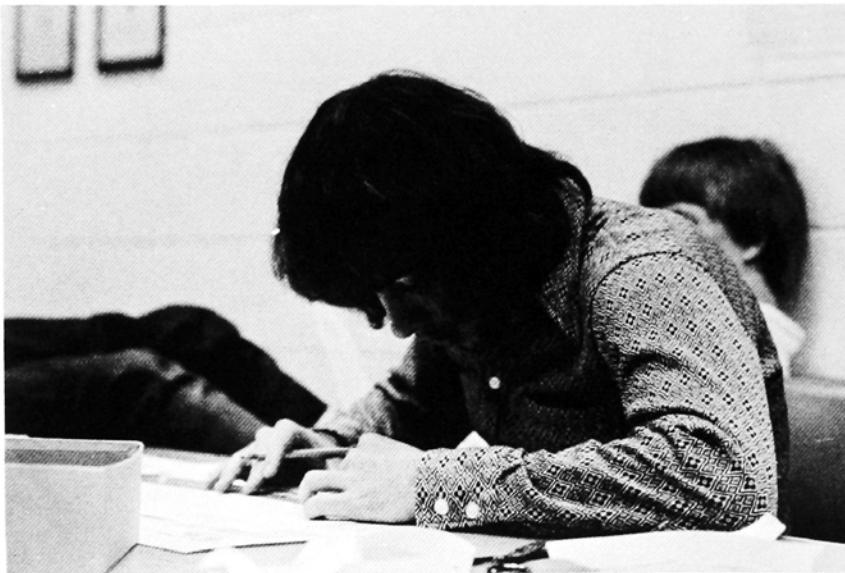

The purposes for a campus newspaper to provide an outlet for students to voice their opinions and to cover all campus events. During this college year of 1976-77, the Hi-Po made strides to fulfill those purposes. First of all, publication dates were changed to Wednesday in order to give the staff more time to prepare articles and also to make the paper more accessible to those students who go home on weekends. Secondly, through our multitalented staff, the Hi-Po provided many new features such as Bummer, editorial cartoons, photography layouts, theatre arts column, and other editorial columns. With the limited financial resources, the staff put forth its best effort.

COLLEGE VILLAGE BRANCH

Jamestown

one last word  
before the  
5-60 pickup-

just because  
the college closes  
for a while, that  
doesn't mean its all  
over (SENIORS\*  
life begins)

After  
the 'exciting  
summer, the  
rest of us will  
be back.

just like it  
was this  
year,  
and just like this  
year there will  
be a  
change . . .

1977 brought mysterious  
Panther paws PE  
goes co-ed,  
more cafeteria dances, a  
NMR, 1 more interum-  
no interum? - who  
knows -- a Zenith out  
on time  
plus an ice cream  
machine\* too much  
and then in sports, what  
can one say

Cross Country 26  
District champs, Volleyball  
goes national  
Soccer conference champs again,

Congrats Hartman-  
Area VII Coach of the Year,  
Boys Basketball,  
almost  
Girls basketball still  
going--off  
to the  
regionals  
Tennis Team '76  
2nd in conference  
Oreos win B-B  
intermurals  
Homecoming brought  
partying, floats and a  
Stone a Queen.

In the nation, changes did  
occur,

some didn't . . .  
little fuel to be  
found . . .  
peanuts become of age-  
and Carolina  
still #1

As another year comes  
to a close-  
this yearbook has  
tried to  
please a varied  
school-with  
a limited budget, new  
company and  
a few dedicated  
people. Thanks must be  
extended to WC, for support  
and friendship, JR and  
SM for class; JB for  
pecking out  
letters when needed- MP  
for all his devotion and  
lessons;  
KK  
and every staff  
member and friends(s)  
that helped.  
Thanks Pete, Peg and Mrs.  
York for  
your patience- good luck  
CR- you'll need it

HPC in the year of  
1976-77 was a year of  
change, and  
better known as  
the  
"Year of the Cat!"
